

## AMERICORPS CLEARWATER PROGRAM OVERVIEW

AmeriCorps is a network of national service programs that engages more than 50,000 Americans each year in intensive service to meet critical needs in education, public safety, health, and the environment. AmeriCorps members serve through more than 2,100 nonprofits, public agencies, and faith-based organizations. Created in 1993, AmeriCorps is part of the Corporation for National and Community Service.

AmeriCorps is commonly referred to as the “domestic Peace Corps.”

AmeriCorps Clearwater assists the Clearwater Police Department with public safety efforts and provides excellent experience for individuals interested in a law enforcement career. AmeriCorps Clearwater members work hand-in-hand with community policing officers, school resource officers, crime prevention officers and staff of local community service agencies to help prevent/reduce crime in targeted areas. Our mission is to enhance public safety and act as a catalyst for crime prevention activities by fostering citizen responsibility and bringing communities together while providing unique educational opportunities to the AmeriCorps members. The program has five main components:

---

Members assigned to Beach Walk Program will be trained to take routine, non-hazardous police reports from citizens for incidents such as lost or found property and petty thefts, which further saves police officer time.

#### Neighborhood & Park Patrol:

AmeriCorps members will assist police units in the execution of crime prevention, traffic control, and closing area parks that will result in saving valuable police officer time.

#### Special Events/Details:

AmeriCorps members will assist the department with city sponsored special events (i.e. festivals, concerts, parades, funeral processions) as requested by upper management.

#### Bike Patrol:

Members will patrol the Pinellas and East/West Trails of Clearwater being alert for hazards and safety issues and providing assistance and directions to citizens, visitors and tourists.

#### Police Mentoring:

AmeriCorps members are given the opportunity to choose a police officer as their mentor. This component allows the member to experience law enforcement first hand and develop an increase of policing knowledge.

#### Child Passenger Safety Seat Installations:

Vehicle crashes are the number one cause of death for children ages 2-14 in the United States. Using the appropriate car seat and making sure it is properly installed can help reduce the risk of injury or death to children who ride in vehicles.
