CLEARWATER POLICE DEPARTMENT EARNS REACCREDITATION

Clearwater, Fla. – The Clearwater Police Department was awarded its fifth consecutive reaccreditation by the Commission for Florida Law Enforcement Accreditation (CFA) in Bonita Springs, Florida last week.

The team of assessors visited the department in March and reviewed policies, procedures, management, operations and support services. They interviewed department employees and heard comments from citizens. CFA determined the department met the required standards and issued reaccredited status that will remain in effect for three years.

CFA commended the Clearwater Police Department for “continued diligence, professionalism, and commitment in maintaining the highest recognition among Florida’s law enforcement community.” The Clearwater Police Department Accreditation team was also commended for their efforts in this process.

The Clearwater Police Department has been an accredited law enforcement agency since 1998.
